I SUPPORT KEEPING THE LAST REMAINING AGRICULTURAL LANDS ON THE EAST END OF OAHU FROM DEVELOPMENT. These agricultural lands are on the *slopes of Koko Head Crater* above Kaiser High School, and in the *Kamilo Nui Valley*. Kamilo Nui Valley is Hawaii Kai's watershed and under threat of being turned into more housing. I support upholding the *Urban Growth Boundary* as per the *East Honolulu Sustainable Communities Plan*. I support this plan because it protects the last agricultural lands in Kamilo Nui Valley. This *open space* is an integral part of the authentic character of our community.
