

Save Ka Iwi Coast

Mauka to Makai

Your backyard, your favorite scenic drive, your daily surf or fishing ritual, the Ka Iwi Coast is precious to all. Our community has the once-in-a-lifetime opportunity to protect the last threatened properties within this treasured landscape from development now, and **FOREVER**.

We have until **August 30, 2015** to raise the remaining **\$300,000** to purchase and keep the Ka Iwi Coast Mauka Lands undeveloped forever.
